Validating & Accrediting Partners

EU Business School has partnerships with institutions to offer university-specific degrees to its students. On our Munich campus, our partners are:

Universitat de Vic – Universitat Central de Catalunya (UVic-UCC) is an officially recognized university in Spain. It is inscribed in the Registro Universitario de Centros y Títulos (Register of University Centers and Qualifications, RUCT) with the code 060, and is legally authorized to accredit higher education qualifications according to Organic Law 2/2023, 22nd March, which pertains to the university system.

UVic-UCC is accredited by the Agencia Nacional de Evaluación de la Calidad y Acreditación (ANECA), and AQU Catalunya. It was ranked number 41 in Spain by the Times Higher Education Impact Rankings in 2024, in addition to number 120 in Southern Europe by the prestigious QS World University Rankings.

Since parliamentary recognition in 1997, Universitat de Vic – Universitat Central de Catalunya (UVic-UCC) has become a knowledge and innovation hub at the service of Catalonia, while cultivating an international outlook.

London Metropolitan University's (London Met) mission is to transform lives through the power of education – and it does that by welcoming students from all kinds of backgrounds and supporting them to achieve success.

London Met comprises six specialist schools, including the Guildhall School of Business and Law offering a dynamic and relevant portfolio of practice-focused and intellectually stimulating business courses.

High-quality teaching is at the heart of the experience offered to students at London Met and the university is ranked ninth in the UK for teaching quality by The Times and Sunday Times Good University Guide 2024, as well as 10th for student experience.

Dublin Business School (DBS) is a private higher education institution and Ireland's largest accredited independent provider of higher education. Its programs are accredited by Quality and Qualifications Ireland (QQI), the Irish state body for quality assurance of all education and training services. The institution has over 90 awards (including embedded awards) currently validated under QQI. DBS was awarded a four-star rating overall by QS Stars.

Degree programs offered on our Munich campus are approved by the Bavarian State Ministry for Science and Art.

Professional Accreditations

The EU Business School group holds programmatic accreditations from the Accreditation Council for Business Schools and Programs (**ACBSP**) and the International Accreditation Council for Business Education (**IACBE**). Both of these accrediting bodies are recognized by the Council for Higher Education Accreditation (**CHEA**), one of the main higher education agencies in the U.S.A. Our institution has also earned the International Quality Accreditation (**IQA**) from the Central and East European Management Development Association (**CEEMAN**). Additionally, in Switzerland we have been certified by **eduQaa**, which recognizes the quality assurance system.

To ensure that accreditations truly reflect an educational institution's status and academic standards, quality reports must be submitted annually and biennially to these accrediting bodies. EU Business School duly submits these reports and is in full compliance with their requirements. The most recent reports are available on our website in the Accreditations section.
